***Green Industry Pros* Magazine Announces 2022 Editor's Choice Award Winners**

Fort Atkinson, WI (August 23, 2022) – *Green Industry Pros*, the nationally recognized magazine serving landscape professionals, unveiled the **2022 *Green Industry Pros* Editor's Choice Award** winners, comprised of the top landscaping products that have made the biggest impact on the industry over the past year.

Winners were chosen by *Green Industry Pros'* editorial team based on several different factors, including innovation and dependability, as well as audience engagement (most clicks, page views, inquiries) on GreenIndustryPros.com. These impressive new products earned their place on the list by attracting the attention of our team of editors, readers, end users, and landscape industry professionals.

"Every year, *Green Industry Pros* presents the Editor's Choice Awards, recognizing the products and equipment contractors need to succeed on their landscaping projects," says Sarah Webb, editor for *Green Industry Pros*. "Our team pores over the product data captured by the attention of the *Green Industry Pros'* audience and visitors to GreenIndustryPros.com searching for the tools they need to be efficient and productive. These professionals are doing the research needed to remain competitive and keep their fleet stocked."

Green Industry Pros, produced by AC Business Media, congratulates the following companies and products identified as **2022 Editor's Choice Award** winners. Additional information on the winning products can be found in the July/August issue of *Green Industry Pros* and online at GreenIndustryPros.com.
