

AllGen Financial Advisors, Inc. Joins Forces with Orlando Union Rescue Mission for AllGenerosity Day of Serving

Orlando, August 23, 2022

[AllGen Financial Advisors, Inc.](#) is partnering with Orlando Union Rescue Mission for a Day of Serving on Saturday, August 27th, 2022 from 10:30am to 1:00pm. The event is a Splash Party for local neighborhood residents to enjoy. There will be food, beverages, and activity stations for children, such as a cotton candy stand, an obstacle course, and a water slide.

"We strongly believe in giving back to our community year-round," says Paul Roldán, Co-Founder and CEO of AllGen Financial Advisors, Inc. "Part of financial freedom is giving back, every step of the way."

Those who wish to volunteer can sign up on AllGen's Eventbrite page: <https://dayofserving2022.eventbrite.com>. Volunteers will meet at OURM at 10:30 am and will perform tasks such as greeting guests, serving food and drinks, and manning the activity stations. Volunteers of all ages are welcome, but any minors must be accompanied by an adult. Everyone will be assigned to a serving group upon arrival and each group will have different duties during the event, which OURM calls Splash Party.

"We are grateful for the extraordinary generosity of AllGen Financial, which makes possible this opportunity to celebrate the end of summer with a Splash Party including the families living near the Mission," says Freddy, the President/CEO of OURM. "It's a great chance to enjoy fun and fellowship with our neighbors and show our gratitude for the support of the community."

In addition to the event itself, AllGen is organizing new bedsheets for donation to families in need at Orlando Union Rescue Mission.

The event will be hosted by AllGen Financial and Orlando Union Rescue Mission at Orlando Union Rescue Mission's location at 1521 W Washington St, Orlando, FL 32805.
