**Florida Alliance for Healthcare Value's 27<sup>th</sup> Annual "Best of the Best" Event Taking Place at Health Benefits Nation**

**Woburn, MA -- September 6, 2022**

The Florida Alliance for Healthcare Value, Florida's business coalition on health, is holding its 27<sup>th</sup> Annual "Best of the Best" event in person on Wednesday, September 14, 2022, as part of Validation Institute's Health Benefits Nation conference, which runs from September 14-16 at the Caribe Royale Resort in Orlando, FL. Health Benefits Nation convenes CHROS, CFOs, HR, Benefits Executives, and Benefits Advisors, empowering them to break away from the status quo and accelerate the move to accountable, transparent, and high-quality employer health care.

"We are honored to partner with Validation Institute for this year's event. Our organizations are aligned in providing educational opportunities to employers that directly relate to their top challenges and give them actionable ideas that they can implement in their plans," said Florida Alliance President and CEO, and "Best of the Best" Chairperson, Karen van Caulil, Ph.D.

"Best of the Best" features best-in-class employers that have tackled challenging healthcare issues and found effective solutions that improve quality, reduce costs, and provide value, both to their employees and to the employer. Over the 27 years of the event's history, the Florida Alliance for Healthcare Value, formerly the Florida Health Care Coalition, has featured well known and respected companies such as American Express, Walmart, The Walt Disney Company, General Electric, 3M, IBM, and Delta Airlines that have achieved success in their innovative approaches to healthcare delivery and payment. Topics presented have included, but not been limited to onsite/near site clinics, specialty pharmacy, wellbeing, and chronic disease management.

This year's "Best of the Best" employers include Siemens Energy, Hendry Marine Industries, Inc., Waste Pro, and the Altoona Area School District speaking on:

- Advanced Primary Care and Direct Contracting: A School District's Success Story
- How Healthcare Navigation Can Be Used to Close Care Gaps and Support Wellbeing
- Best of the Best in Pharmacy Benefit Management
- The Hendry Marine Story: Our Journey to Self-Funding and Innovation

"The Florida Alliance's 'Best of the Best' event is an employer favorite for its content and employer networking, but also for its vendors, who provide benefits solutions that improve quality and reduce the cost of care. We invite leading employers from across the US to talk about their innovative benefit design and employee engagement strategies. It's a great opportunity to share best practices and lessons learned," said Rosa Novo, Executive Benefits Director at Miami-Dade Public School District and the Florida Alliance for Healthcare Value Board Chair.

Registration for "Best of the Best" and the Health Benefits Nation conference can be found here:
