You can take in the breathtaking NYE spectacle, avoid the millions gathered in the streets of Times Square, and mingle with other sophisticated guests in the two main areas at the Gala.

– **The Living Room**, including a cocktail seating area, an open bar and hot and cold food stations.

The Gala offers lavish passed hors d'oeuvres, food stations from 9 pm to 11 pm, sumptuous desserts, premium open bar, specialty cocktails, champagne toast and live entertainment with dancing. The best part? Guests at the three front rows of the private tables (not included in the premium admission) in the Main Room have a glorious direct view of the ball drop! # Home Alone 2: Christmas in New York Private Tour

Ready, set, action! Holiday movie fans – it's time to channel your inner Kevin McAllister in New York City! While it's true that NYC has the distinction of being the backdrop for numerous movies, when it comes to holiday movies, perhaps the one that showcases the city's most iconic sites is 1992'S Home Alone 2: Lost in New York. Think about it - The Plaza Hotel, FAO Schwarz (AKA Duncan's Closet), Rockefeller Center, Radio City Music Hall, Central Park, Times Square – they all conjure up images of the Big Apple because they are some of the city's most well-known landmarks and must-sees for visitors. This festive tour will take you to all of them – and more! – during your six hours with your private driver and tour guide – but minus the two bumbling burglars that Kevin had to deal with! Plus, it comes with an extra “scene” – a visit to One World Observatory where you can take in the city – all decked out in its holiday best - from over 100 stories above! Now that's a wrap!
