New Children's Book Teaches Table Manners Before Holiday Gatherings

Truckee, CA Friday, November 4th, 2022 -- Husband and wife children's book authors Camille Childs and Bryan Jones introduce kids to table manners in their new book *Even Martians Have Manners: A Table Manners Book to Build Kids' Social Skills*. First published by Game On Family in November 2022, it quickly rose to an Amazon "#1 New Release" and is available for \$10.95 at Amazon.com before all your holiday gatherings. <https://www.amazon.com/dp/1733186816>

In their creative approach, they wrote a fun, no-nagging, rhyming etiquette picture book to help raise kids that won't embarrass adults at meals. Follow the journey of the friendly Martian, Zok, as he joins the Tanner family for dinner and learns human manners. Children from toddlers to eleven-year-olds will enjoy the funny moments throughout the book while catching important lessons about table manners, etiquette, gratitude, politeness, and more.

About Game On Family:

Game On Family is a women-owned small business that creates family-friendly educational games and books that support mental health and connection. We believe that learning happens best through play. We thrive on producing fun products that aid parents, teachers, and mental health professionals. Together we can build our kids' social emotional learning (SEL) and improve life outcomes through play! <https://www.amazon.com/gameonfamily>

About the Authors:

Camille Childs and Bryan Jones are entrepreneurs, authors, and game designers. They've created and co-created two card games and three books, including the award-winning Feelings and Dealings card game and books, the Shined Mind card game, and Toodle Oodle Oops.
