

Celebrate 30 Years of Cooler Master Legacy with the GD120 ARGB Gaming Desk 30th Anniversary Edition

TAIPEI, TAIWAN – Cooler Master today celebrates its 30 years of legacy by launching a limited-edition GD120 ARGB Gaming Desk 30th Anniversary Edition.

GD120 ARGB Gaming Desk 30th Anniversary Edition

The 30th Anniversary Edition of the GD120 ARGB gaming desk comes with an aluminium finish, an anti-scratch tabletop with up to 100kg of weight endurance, and customizable built-in ambient ARGB lighting. Standing just 120cm wide, the GD120 ARGB is compact enough to fit your setup while still maintaining all the important ergonomic features. A handy rear-mounted aluminium tray is also included, which allows for easy cable management with room for both cables and adapters. The limited edition desk also comes with a 30th anniversary edition mousepad and a limited-edition chromatic finish on the side of the desk.

Availability

The GD120 ARGB Gaming Desk 30th Anniversary Edition will be available in limited quantities for *MSRP \$429 in late November.

*Pricing may be higher in various regions due to tariffs.

About Cooler Master:

Established in 1992, Cooler Master is a performance PC component and peripherals brand with a track record for advancing the industry. From the world's first aluminium PC case to our pioneering thermal technologies, we are committed to breaking technological boundaries and challenging the status quo. Our focus is to create a community for individuals who dare to stand out and embrace their inventive identity. Whether new builders use a PC as medium for self-expression, or hardcore gamers set up their battle stations as a confession of character, we revel in being Wired Different. We are a brand aiming to go above and beyond the build-your-own PC experience by creating cool products for awesome people to build in their own unique way.
