

# Cooler Master Launches Limited Edition Thermal Solutions to Celebrate its 30<sup>th</sup> Anniversary

---

**TAIPEI, TAIWAN** – In celebration of Cooler Master's 30th Anniversary, the hardware manufacturer is launching an exclusive line-up of thermal products to commemorate the celebration. These 30th Anniversary limited edition models will be showcased with the MasterLiquid PL360 Flux, the Ergostand Air, the Mobius 120P ARGB, and the all-new 8 heat pipe air cooler, the MasterAir MA824 Stealth.

## MasterAir MA824 Stealth 30th Anniversary

Cooler Master is releasing the all-new MA824 Stealth 30th Anniversary to debut the newest performance 8 heat pipe air cooler. It carries the Stealth Series identity with total blackout design and accents, with the exclusive 30th Anniversary logo and silkscreen print for this limited edition release. With an immense 8 heat pipe, dual tower design, the MA824 stealth brings unmatched cooling performance to the market. It utilizes the awarded Mobius 120P ARGB fan, along with a 135mm Push-Pull fan for relentless cooling power.

Through Superconductive Composite technology the 8 heat pipes feature dual variable thickness and groove and powder design to achieve precision targeted heat transfer throughout the cooler. The redesigned dual tower heat sink maximizes performance through optimized fin density and thickness.

## Mobius 120P ARGB 30th Anniversary

The Award-Winning Mobius 120P ARGB will launch an exclusive 30th Anniversary Edition with branded colour accents on the damper and 30th Anniversary logo on the centre hub. It utilizes the new Ring Blade Design, with interconnecting fan blades for structural reinforcement, while eliminating vibration for even more stability. The angled inner frame rim features chambered side vents boost airflow with force induced pressure for maximum airflow. This limited release adds more colour in combination with the Addressable Gen 2 RGB LEDs, ready for a vast range of versatile customization.

## MasterLiquid PL360 Flux 30th Anniversary

The MasterLiquid PL360 Flux is the flagship AIO solution to represent Cooler Master's 30th Anniversary success and innovation. The 30th Anniversary Flux edition liquid cooler features the new Mobius 120P ARGB fans, further increasing performance and lowering noise output. The exclusive pump cover with the 30th Anniversary emblem and the unique limited

edition radiator print offer the celebratory design on our performance liquid cooling solution. The PL360 Flux 30th Anniversary Edition has fine-tuned redesign from the fans to the copper base, along with the unique aesthetic design to represent our decades worth of innovation.

### **Ergostand Air 30th Anniversary**

With exclusive silkscreen print and our 30th Anniversary logo, this limited edition ErgoStand Air displays the 30 years of Cooler Master's success. The lightweight notebook stand features a hollow frame structure constructed aluminium alloy for ample airflow and ventilation as well as added thermal dissipation. The ErgoStand Air is portable and versatile allowing you to take it wherever you need, whether it be your home, office, meeting room, coffee shop, or wherever your work or entertainment takes you.
