Amerisure Named Among Best Places to Work in Insurance by *Business Insurance* and Best Companies Group

Farmington Hills, Mich., Nov. 16, 2022 — Amerisure is proud to be named in the annual Best Places to Work in Insurance program, which recognizes employers for their outstanding performance in establishing workplaces where employees can thrive, enjoy their work and help their companies grow.

This is the 11th year Amerisure has been named to the list. To determine award recipients, Best Companies Group identifies leading employers in the insurance industry by leveraging a third-party administrator to conduct and tabulate a two-part assessment. The assessment includes a questionnaire regarding policies, practices and demographics, and an engagement and satisfaction survey completed by random employees.

“We are thrilled to once again be ranked among the Best Places to Work in Insurance,” said Erin Buddie, vice president of human resources at Amerisure. “This recognition is a testament to our company’s greatest strength: our expert employees. Every team member at Amerisure gives life to the service culture we value, and this award underscores that our people truly set us apart in the industry.”

Best Places to Work in Insurance is an annual feature that lists agents, brokers, insurance companies and other providers with the highest levels of employee engagement and satisfaction in the industry.
