

## Gain complete Pay-as-you-go automation with payroll + credit cards

InsurePay<sup>®</sup> Pay-as-you-go delivers benefits to carriers, agents and policyholders by monitoring policyholders' exact premiums for each pay cycle through our secure custom branded portal with direct data connections to leading payroll companies.

Enabling policyholders to pay with credit cards improves cash flow management for policyholders, growing policy retention through delivering a better customer experience.

100%  
compliant  
for all major  
credit cards

Certifications  
and secure  
banking

Automatic  
transactions

### Grow policyholder retention through a better customer experience

- Policyholders have better options and greater satisfaction
- Improve cash flow management
- Ability to accrue points
- Ability to delay payments
- NSF are alleviated

### Automate the renewal process

- Recurring payment option automates customer payments instead of having to ask for annual renewal
- The combination of payroll provider data feeds and credit cards creates a total automated experience
