Newline Engage Cloud joins the Google for Education Partner Program

Newline is pleased to announce that our new whiteboarding software platform, Newline Engage Cloud, has joined the Google for Education Partner Program!

The Google for Education Partner Program will allow Newline to enhance and expand our current integrations with Google, all of which are available now:

- Google Single Sign-On for students and teachers
- Ability to access Google Drive directly within Newline Engage Cloud
- Newline Engage Cloud works on a variety of student devices, including Chromebooks
- Ability for teachers to upload copies of Google Docs and Slides within Newline Engage Cloud
- and more!
