

Cooling X

COOL. COMPACT. SILENT.

Cooling X is Cooler Master first complete PC – delivering all-in-one liquid cooling in a compact format. With its newly developed cooling solution – it has raised the bar for PC cooling.

Cooling X is a level 10 PC powered by AMD Ryzen™ 9 5950X CPU and AMD Radeon™ 6800XT graphics. Both are liquid cooled and ensure superior performance and minimizing noise levels.

Aimed to gamers, streamers, content creators and professionals – Cooling X delivers superior performance in a compact format with minimum noise levels.

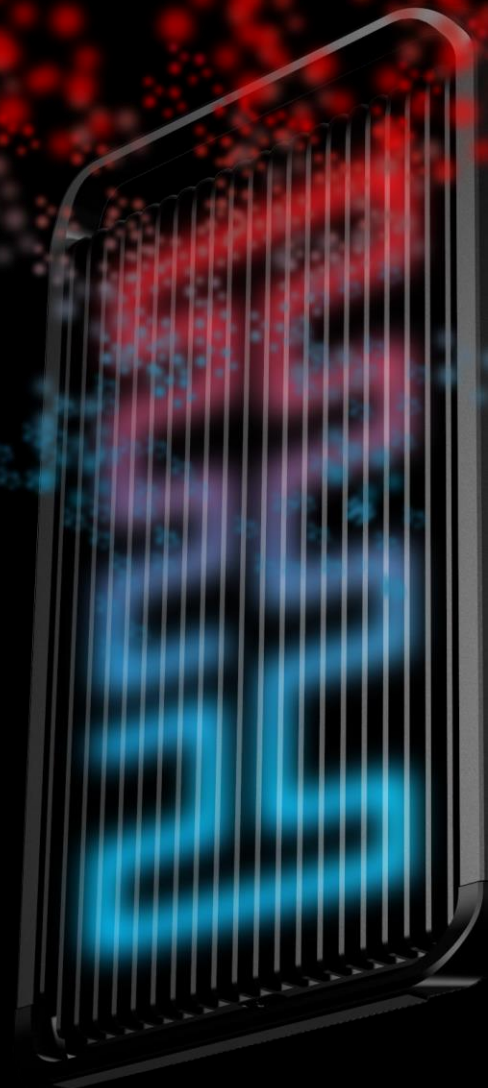

LIQUID COOLING REDESIGNED

Cooling X is utilizing a in-house developed effective and silent pump. For its liquid cooling solution .The pump is equipped with a high performance motor, abling to dissipate heat rapidly. This result in high performance, even achieving low noise levels.

Additional the liquid cooling solution contains a highly advanced liquid cooling panel. The liquid from the CPU and GPU also runs through the side panels, which contains liquid cooling. The panels are designed with 21 fins, allowing heat to be dissipated effectively.

ONLY HIGH-END COMPONENTS

**AMD Ryzen™
9 5950X CPU**

**AMD Radeon™
6800XT GPU**

Up To

64GB

DDR4-3200MHz

DRAM

Up To

2 x 2TB

M2 SSD

Cooler Master

V850 SFX Gold

PSU

FOR THE TRUE GAMER AND/OR CREATOR

No matter if you are a gamer, creator or just someone who demand the best performance – Cooling X will meet any requirement. It allows you to excel your playing skills, create that awesome video that you always dreamed about or have enough power for those intensive workflows that needs to be conquered.

COMPACT PERFORMANCE

Cooling X is a compact PC – only measuring 266 x 149.4 x 371.6 mm –
it delivers superior cooling and **performance**.

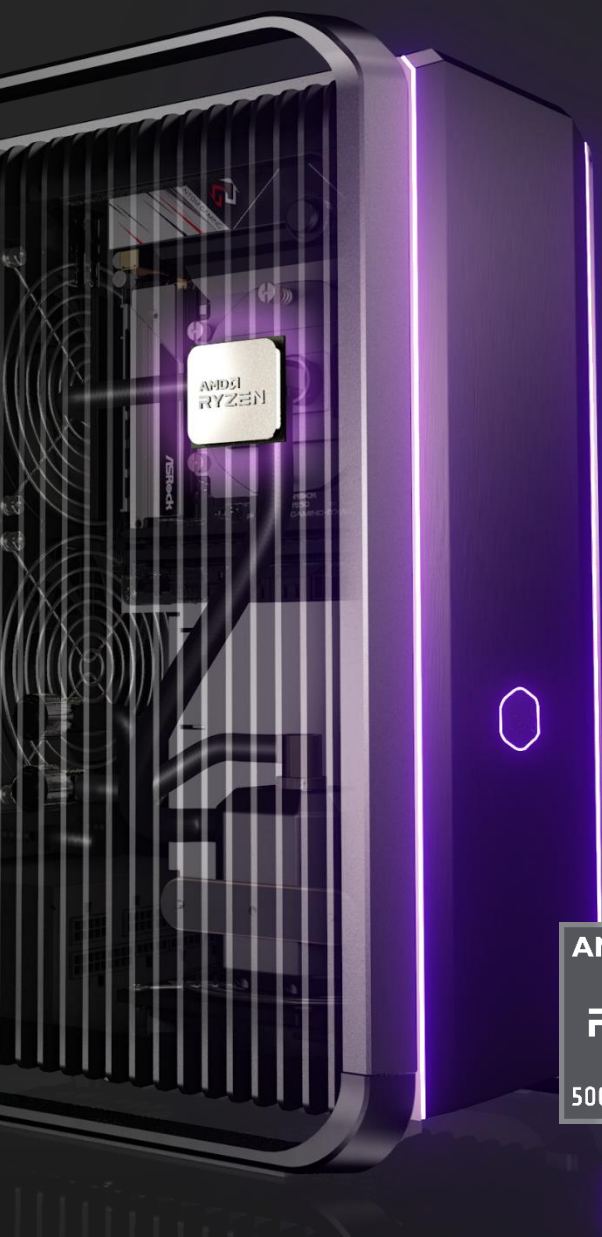

Due to its size and handles on the top – it is compact and mobile. It can
easily be brought along and fit on any desk.

AMAZING COMPUTING POWER

With **AMD Ryzen™ 9 5950X**
processors Cooling X is the ultimate
PC for gaming and content creation.

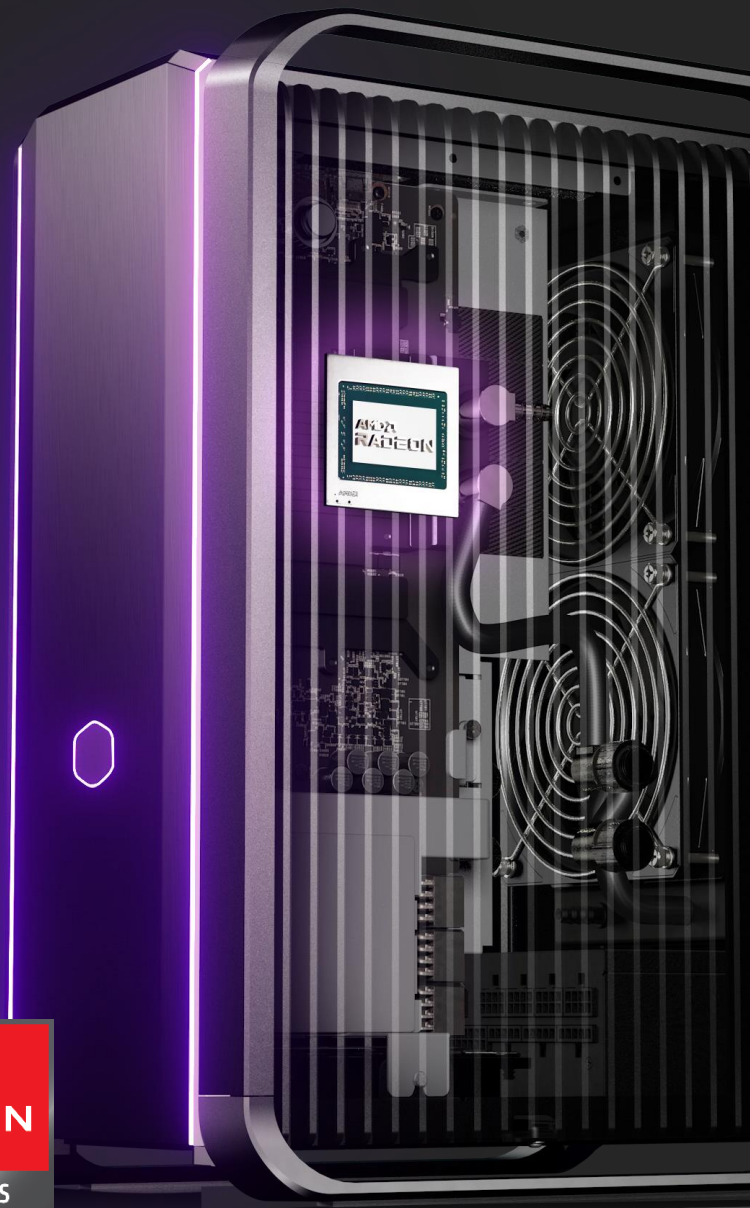

Based on AMD's latest Zen3
architecture – this processor is not
only fast but also energy efficient and
reduces latency.

INCREDIBLE GRAPHIC PERFORMANCE

To pair up with a powerful CPU, we also chosen a dedicated GPU. **AMD Radeon™ RX 6800 XT** graphics provides ultra-high framing rates and serious 4K resolution.

Both are liquid cooled to bring its performance to the next level.

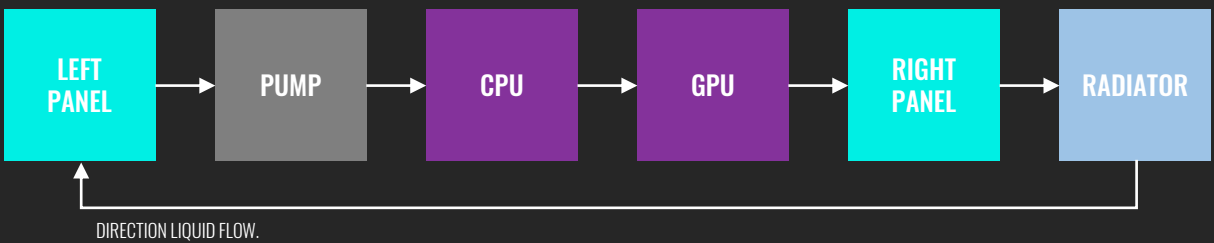

PREMIUM COOLING

Cooling X is designed with performance in mind with an optimized cooling solution. Cooler Master has taken the traditional liquid cooling to the next level. Common liquid cooling solutions – include the pump, radiator and water block and Cooler Master has added an additional element into it.

To increase cooling performance and limit the noise levels – Cooler Master utilizes the side panels as part of the liquid cooling solution. The liquid tubes run inside both side panels and the side panels have a fin designed surface – making it an efficient large heat sink.

Along the radiator – the side panels dissipates the heat out of the PC faster and more efficiently.

MEASUREMENTS

- 1) Power Button.
- 2) Top IO Ports: 1 x DisplayPort, 1 x HDMI, 4 x USB 3.2 Gen 1, 1 x USB 3.2 Gen2 Type A, 1 x USB 3.2 Gen2 Type C, 1 x GigabitLAN, 1 x 7.1 CH HD Audio.
- 3) Rear IO Ports: 3 x DisplayPorts, 1 x HDMI, 2 x USB 3.2 3.2 Type A, 1 x USB 3.2 Type C.
- 4) Power Switch and Power Socket.
- 5) Handgrip.
- 6) RedWing (cooling panel).
- 7) Foot.

SPECIFICATIONS

Product Name

Cooling X

Product Number

TBD

Cooling

AIO Liquid Cooled CPU and GPU

CPU

Liquid Cooled AMD Ryzen™ 9 5950X AM4

GPU

Liquid Cooled AMD Radeon™ 6800XT

RAM

2 x 32GB Dual Channel DDR4-3200

Storage

1 x 2TB m2 Gen4 SSD

1 x 2TB M2 Gen3 SSD

Ethernet

Intel® 2.5Gb Ethernet

Wireless

Intel® Wi-Fi 7 802.11ax adapter

Bluetooth

Version 5.2

Power Supply Unit

Cooler Master V850 SFX Gold

Top IO Ports

3 x USB 3.2 Gen 2 10Gbps (Type A)

2 x USB 3.2 Gen 1 5Gbps (Type A)

1 x USB 3.2 Gen 2 x 2 20Gbps (Type C)

1 x HDMI

1 x 2.5G LAN

1 x Audio

Rear IO Ports

3 x DisplayPorts

1 x HDMI

2 x USB 3.2 Type-A

1 x USB 3.2 Type-C

Operating System

Windows 11

Size (L x W x H mm / inch)

266 x 149.4 x 371.6 / 10.5 x 5.9 x 14.6

Weight (kg / lb)
