ORB X

IXS-OX1-****-**-****

WHERE LUXURY MEETS TECHNOLOGY

ORB X

ORB X is a fully immersive multi-purpose semi-enclosed station which can fulfill diversified needs for work, entertainment, and gaming use while taking the immersive experience to the next level with futuristic design, craftsmanship, and seamless hardware and software integration.

A sleek, semi-enclosed cockpit is provided with a fully automated motorized shuttle dome for superior privacy. Enhanced visual and audio capabilities truly elevate the immersion: ORB X supports up to three 27" monitors, and surround sound speakers are housed directly in the station to create a realistic, accurate soundstage even without headphones. In addition, a newly designed ergonomic recliner provides an adjustable headrest, lumbar support, and leg rest for customized comfort to ensure that users stay productive and competitive for the long haul.

With a mission to perfect and enhance the user's immersive experience, ORB X elevates the visual, audio, and comfort experiences for gamers and professionals.

FEATURES

Enhanced Privacy – Semi enclosed design to keep away distractions and enables an uninterrupted privacy mode with the automated shuttle dome enclosure which can be engaged at the press of a button.

Immersive Viewing Experience – Support for one 34" monitor or up to three 27" monitors to keep games immersive and work productive.

Dynamic Soundstage – Immersive surround sound speakers to create true surround sound and an amazing spatial audio experience.

Customized Comfort – An ergonomic recliner with adjustable headrest, lumbar support, and seating positions provide advanced customized comfort even during long marathon sessions.

Sleek and Futuristic Appearance – Hidden compartment for PCs and consoles enable tidy organization and efficient use of designed space to maximize the stylish appeal in Arctic White or Universe Black.

A Cool Factor to Show Personality – ARGB illumination surrounds the user with a wide variety of color arrangements to match the atmosphere or mood.

Remote Control – Effortless ORB X customization to suit the user's profile for ergonomics, audio and color options with just the press of a button.

Extra Large Desk Space – Comprehensively fulfilling all user needs such as wireless phone charging, connecting the laptop to a large monitor, and still have more than sufficient room for a keyboard and mouse or tablet.

Mouse Space & Accuracy – Ensuring optimal mouse to surface glide performance with a full desktop coverage micro-woven cloth mousepad.

Mobile Friendly – Easily charge a mobile phone or other wireless devices without needing to worry about cables or cluttering up the desk.

Instant Connectivity & Control – Quickly connect personal gear and switch the adaptive audio modes at hand with the available USB ports and control panel.
