EVENT MANAGEMENT

Check registrants in & out of your event, verify tickets, sell tickets and add-ons such as parking & food selections. The Hosted Event app works as a stand alone, or with a handheld sled for lighting fast scanning & ticket sales.

PREMIUM LEAD CAPTURE

One premium lead capture solution for every exhibitor, with user customizable forms for collecting and qualifying the best lead data ever.

EVENT ENGAGEMENT

Create immersive event experiences that encourage deeper attendee engagement and provide new sponsorship opportunities. Tap into over 60 digital activations including scavenger hunts and attendee icebreakers.

EVENT IN A BOX

BOX delivers a simple package containing all the hardware you need to run your event, from check-in to follow-up, including tablets, printers, scanners, and Captello's industry leading event lead management platform.

Exciting solutions for event organizers

Captello's event platform keeps growing with solutions that make events easier to manage, and more successful than ever.

Here are a few of the things you can expect to see and use in the months to come.

Coming in 2023

✓ SHOWVIO

REVERSE LEAD CAPTURE FOR EVENT ORGANIZERS. Base stations transfer documentation seamlessly with a simple badge scan. Lanyard / wristband wearables make networking, alerts, and collecting contact details a snap!

✓ ATTENDEE APP

AN INTUITIVE, BRANDED EVENT APP: Exhibit Directory & Show Floor Map, Attendee List, Intelligent Matchmaking, Appointment Requests, Ability to Build Personal Agendas, Sponsor Directory, Sponsor Ad Opportunities, and more.

✓ BRIDGE

VIDEO CONFERENCING FOR HYBRID EVENTS. Bridge launches anywhere, making it easy for attendees to network in hybrid environments. Foster deeper engagement and create meaningful connections anywhere, with Bridge.
