

FREE B&B/INN DIGITAL MARKETING ANALYSIS

What does your **digital marketing footprint** look like?

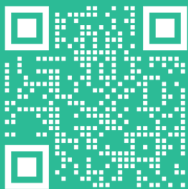

Get your **free Digital Marketing Analysis** and receive feedback on your Local and Paid Search opportunities.

This comprehensive breakdown will provide you with:

- A technical audit of your organic health
- A scan of your metadata optimization
- A health check on your backlinks
- Results of your website performance
- Results of your local search Direction on what to do next with paid ads

We'll also throw in what our sample reports to clients look like and plans you can select from that would allow rezStream to help you increase revenue with improvements to your digital marketing footprint.
