ERIC LUKE JOINS THREE SIXTY SEVEN ADVISORS AS SENIOR ADVISOR, FACILITY SERVICES

Tampa, FL (February, 2023) – Three Sixty Seven Advisors (Three Sixty Seven Advisors) announced today that Eric Luke has joined the firm as the Senior Advisor, Facility Services, effective immediately. This strategic alignment brings together a veteran entrepreneur and advisor of the facilities services industry and one of the industry's most active M&A firms. Combining decades of deep relationships in the space to create a best-in-class offering, Eric will focus his efforts on advising business owners seeking a transaction within the broader facility services category, including commercial janitorial, landscaping and other specialty contractors.

Eric is enjoying his 4th decade of working in facilities services, with a background that includes serving as CEO of Varsity Facility Services who, prior to being acquired by Kellermeier Bergensons Services, was one of the largest private facilities services firms in the United States. Additionally, in 2021 Eric served as the President of the Building Service Contractors Association International (BSCAI), and has consulted operationally and advised M&A with a myriad of scaled firms in facilities services since his departure from Varsity.

Three Sixty Seven Advisors Managing Director, Ryan Wood, stated: "I am thrilled to be welcoming Eric to the Three Sixty Seven Advisors team. I've worked with Eric since he first led the sale of Varsity in 2017 and over those years he has become one of my most trusted and valued relationships in our industry. His integrity and character are of the highest caliber and exactly what we look for in our partners here at Three Sixty Seven Advisors. Our team looks forward to supporting Eric's advisory efforts as he utilizes Three Sixty Seven Advisors' increasingly vast resources and deal experience to provide even more value to his clients and relationships going forward. I believe Eric's choice to join our team further positions Three Sixty Seven Advisors as the leader in M&A for the facilities services industry."
