About Us

A company dedicated to helping teams overcome challenges using technology devices in demanding work environments

Our business has had the privilege of serving and healthcare and other industries since 1945. We work in 1,000s of hospitals and facilities across the

country because we are committed to supporting caregivers and the important work they do. We believe that caregivers deserve the perfect fit between their manual or EMR charting tools and their workflow, ergonomic, safety, and data security needs. Our experienced consultants and staff are here to help ensure their complete satisfaction.
