Tompkins Solutions Names Steven Nickel Senior Director of Operations

RALEIGH, N.C. – [Tompkins Solutions](http://www.tompkinsinc.com), a leading supply chain consulting and material handling integration firm, today announced that [Steven Nickel](#) has joined the company as senior director of operations. In addition to leading the implementation team, Nickel will be responsible for developing policies and procedures that improve performance and drive productivity.

Nickel brings over 30 years of project management experience to Tompkins, successfully managing over \$2 billion in various forms of construction procurement delivery. Prior to joining Tompkins, Nickel was senior project manager for Material Handling Systems, Inc.

“Steven’s vast background effectively managing people and projects in construction and material handling will make him a great addition to the Tompkins team,” said [David Latona](#), CEO of Tompkins Solutions. “We are thrilled to have him on board and help us continue to deliver world-class distribution and fulfillment solutions to our clients.”

Nickel is the second addition to Tompkins’ leadership team this year. In January, [Billy Carter](#) joined the company as vice president of sales. To learn more about working at Tompkins Solutions and view the company’s current openings, please visit www.tompkinsinc.com.
