

LEADING THE FUTURE OF
LIGHTING + TECHNOLOGY

Earth Day

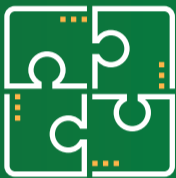

Investing in our planet since 2003

1,000,000,000 kWh
saved in 2012

15,000,000+
fixtures upgraded to LED

Business Expansion

Buildings of the future

- IoT Solutions
- Smart Building Controls
- Specialty Lighting
- EV Charging Stations

Helping our customers save a total of
16,500,000,000 kWh

That's equivalent to...

193,349,074

tree seedlings grown
in 10 years

443,186,427

incandescent lamps
switched to LEDs

With your help, we've made a difference!
EMC is on track to save customers 25 billion kWh by 2025.
