Government clients served

## Empowering Communities Through Service is at the Heart of All We Do

Founded in 1979, GrantWorks is a national provider of highly specialized grant administration, program management, and technical consulting services for state, county, and city governments in the areas of infrastructure, housing, community and economic development, broadband, disaster recovery, mitigation, and resilience. Over the past 40+ years, the firm has secured and managed over \$8 billion in federal and state grant-funded projects while helping over 600 of our nation's communities become smarter, stronger, and more resilient.

Today, our client-centric professional staff continue GrantWorks' mission to provide high quality and cost-effective services focused on improving the communities where we live, work, and play. **Partner with us to leverage our extensive grant administration experience to help your community achieve its goals.**
