Concrete Contractor Reveals the Winners of the 2023 Top Products Award

Fort Atkinson, Wis. (May 23, 2023) – Concrete Contractor, the nationally recognized magazine serving concrete construction professionals, reveals the winners of the **2023 Concrete Contractor Top Products Award**, which recognizes the concrete industry’s best products gaining interest from end-users and concrete professionals alike.

The winners were chosen by *Concrete Contractor’s* editorial team based on several factors, including innovation, dependability, as well as audience engagement on <https://www.forconstructionpros.com/concrete>.

“I’m proud to announce the winning products, tools and equipment that have been named a Concrete Contractor 2023 Top Products award winner,” says Jonathan Kozlowski, Editor, Concrete Contractor. “Concrete is a hard business, so contractors need the right tools to solve everyday problems at the jobsite as well as stay competitive – and successful – for years to come.

“During the process, our team evaluated hundreds of the latest innovations aimed at helping concrete contractors be more efficient, safe, and as effective as possible. Congratulations to these winners!”
