

Gigguk (Garnt)

Originally from UK, this anime based youtube is affiliated with the agency GeeXPlus. He is known as a pioneer of anime-related YouTubers and is famous for his satirical discussions of different anime from the main stream to the lesser known. On his YouTube channel, he posts numerous videos summarizing the current season's anime using his wealth of knowledge and originality, and boasts enormous popularity with 3.49 million subscribers (as of May 2023). His videos allow for a great access point to not only lovers of anime but those new to the culture who want to understand certain elements of an anime before diving in.
