

Reina Scully (Reina Suzuki)

Profile :

Reina Suzuki (born August 21, 1988), better known by her stage name Reina Scully, is a Japanese-American Youtuber, vlogger, voice actress and translator. During her time translating she translated a plethora of anime and manga including the manga Baby steps. Her translation skills lead to her working in the anime and manga translating industry where she eventually appeared on a panel at Anime Expo in 2018.

Online, she has gained a following for her hosting on various YouTube channels and series such as SourceFed and First We Feast's Gochi Gang. Once she returned to Japan she began to document her life living in Japan through her vlogs about Japanese language and some videos about Japanese culture such as Anime and or Manga.
