## **Del-Air Heating and Air Conditioning To Give Away A New \$25,000 Lennox Air Conditioning System**

**Del-Air's "Coolest Place In Florida Contest" Now Available for Florida Homeowners**

**ORLANDO, FL – June 1, 2023** - Del-Air Heating and Air Conditioning, one of Florida's most prominent air conditioning contractors serving Florida homeowners for since 1983, has announced their new "Coolest Place in Florida Contest." The contest will award one Grand Prize winner a new Lennox Air Conditioning system valued up to \$25,000. Florida homeowners may enter the contest by completing the entry form at <http://delair.com/coolest-contest>.

For a limited time, Del-Air is waiving air conditioner repair trip charges with homeowner-approved repairs, and providing free new air conditioner system estimates. All appointments scheduled on [delair.com](http://delair.com) are automatically entered to win the new air conditioning system.

"Over the next ten months, Del-Air's professional air conditioning technicians will be repairing and installing thousands of air conditioners in homes, condos, town homes, mobile homes, apartments and businesses across Florida," stated Rob Haines, Director of Marketing for Del-Air. "Through the contest, one of our homeowners will have their newly-installed air conditioner reimbursed by Del-Air, up to \$25,000! Whether the winner purchases a new A/C now or later, they will get their home's A/C installed free, including any water heaters or electrical work included with their air conditioner installation."

The Coolest Place in Florida contest starts June 1, 2023 and continues through March 31, 2024, providing all permanent and transient Florida homeowners a chance to enter to win a new Air Conditioning system. The Grand Prize winner will be announced on <http://delair.com> on April 5, 2024. Homeowners may enter the contest at <http://delair.com/coolest-contest> or by scheduling their free A/C repair visit or new A/C estimate at <http://delair.com/schedule>.

###

Del-Air Heating and Air Conditioning is one of Florida's largest and most popular plumbing, air conditioning and electrical companies. Celebrating over forty years of service, Del-Air now operates seven locations with services for homeowners and builders across the majority of Florida, including: Sanford (Greater Orlando), Clermont, Davenport, Melbourne, Jacksonville, Tampa, Sarasota and all surrounding communities. Del-Air provides plumbing, air conditioning and electrical repair, maintenance and installation services. Their flagship home service plan, repair services and free quotes for new air conditioners can be scheduled via their web site at <http://delair.com>.
