About the Author: Terrance Amen has worked in the areas of health, security, and marketing. He has dedicated his life to finding a simple step-by-step plan for financial independence.

Book Summary: Title: FBC: Family Business Circle, Creating Generational Wealth, Using the Money You're Already Spending

Summary: FBC is a groundbreaking book that reveals how families can build generational wealth by leveraging the money they are already spending on everyday expenses. By following the practical advice in the book, families can create a legacy of financial security and independence that can last for generations. With step-by-step guidance and real-world examples, FBC offers a unique and accessible approach to building wealth and breaking the cycle of poverty in the Black community.

Keywords: FBC, Family Business Circle, generational wealth, financial security, financial independence, step-by-step guidance, real-world examples, breaking the cycle of poverty.
