## Amerisure's Atlanta Location Named Among the Best and Brightest Companies to Work For®

**Farmington Hills, Mich., June 9, 2023** — Amerisure Insurance has once again been recognized among Atlanta's Best and Brightest Companies to Work For®. This year marks the eighth time Amerisure's Atlanta service center has been named to the prestigious list for the Atlanta area. The program identifies and honors organizations that display a commitment to excellence in human resource practices and employee enrichment.

The 2023 award recipients were evaluated based on key workplace categories, including communication; work-life balance; employee education; diversity, equity and inclusion; achievement and recognition; and retention. Only companies that “distinguish themselves as having the most innovative business acumen and human resource practices can be bestowed this honor,” according to the program requirements.

“We’re excited to once again be recognized for the outstanding work culture fostered by our employees and we congratulate our Atlanta team for their proven dedication,” said Ben Nichols, Amerisure’s regional vice president of Field Marketing and Underwriting for the Central region. “This recognition is a testament to the passion of our Atlanta-area team, and their ability to work together to continuously deliver exceptional service.”

The annual Best and Brightest competitions are sponsored by The National Association for Business Resources (NABR). All of the 2023 winning organizations will be invited to attend an exclusive national conference for winners across the country. This year’s conference will be held on September 27-28 in Detroit, Michigan.

Amerisure’s Metro Detroit headquarters has also been awarded the Best and Brightest recognition for 2023. To see the full list of recipients or learn more about the award, [click here](#).
