Amerisure's Metro Detroit Headquarters Awarded Best and Brightest Companies to Work For® Recognition

Farmington Hills, Mich., June 9, 2023 — Amerisure Insurance has once again been recognized among Metropolitan Detroit's Best and Brightest Companies to Work For®. This year marks the 18th time Amerisure has been named to the prestigious list for southeast Michigan. The program identifies and honors organizations that display a commitment to excellence in human resource practices and employee enrichment.

This year's award recipients were evaluated based on key workplace categories, including communication; work-life balance; employee education; diversity, equity and inclusion; achievement and recognition; and retention. Only companies that "distinguish themselves as having the most innovative business acumen and human resource practices can be bestowed this honor," according to the program requirements.

"We're proud to once again be recognized for the strength of our workplace culture and collaborative spirit of our talented employees," said Erin Buddie, vice president of human resources at Amerisure. "Receiving the Metro Detroit Best and Brightest award is a true testament to the passion of our employees and leaders, and speaks to our collective ability to foster an environment that allows employees to thrive while delivering on our *One Amerisure* service promise to agency customers and policyholders."

The annual Best and Brightest competitions are sponsored by The National Association for Business Resources (NABR). All of the 2023 winning organizations will be invited to attend an exclusive national conference for winners across the country. This year's conference will be held on September 27-28 in Detroit, Michigan.
