GNEC HACKATHON

JULY 23th – AUGUST 6th On Devpost

<ABOUT/>

The GNEC Hackathon is a two-week online event where participants work on a project in teams or individually. They will be tasked with developing an innovative idea centered around the United Nations Sustainable Development Goals (UN SDG). The purpose is to educate and empower participants, encouraging them to apply their skills to strive toward a more sustainable future. The event will take place from July 23rd 12:00 PM EST to August 6th 12:00 PM EST. For more details, scan the QR code below
