## **Square 9 Helps You Master Accounts Payable Automation with New Expert Guide**

Breaking Down Common Challenges and Solutions

**New Haven, CT. July 26, 2023** – Square 9 Softworks, an award-winning platform that simplifies document-related processes, has recently released a guide detailing how to automate your accounts payable processes within your organization.

This expert guide, “Your Ultimate Guide to Accounts Payable Automation” aims to provide insight into common accounts payable challenges while providing possible solutions to overcome them. It also gives a detailed but easily digestible glimpse into the different levels of accounts payable automation to help determine what is right for your organization.

Accounts Payable automation seeks to simplify the processes organization's use to pay their creditors by eliminating manual data entry, managing and routing documents, and integrating with other solutions.

“Accounts Payable Automation is a huge focus of what we do” says Square 9 President and CEO Stephen Young. “Offering our expertise to those looking into these solutions helps them make informed decisions throughout the customer journey.”

In addition to guiding those researching accounts payable automation, Square 9 has also created expert guides for those looking into optical character recognition, and for educational institutions and human resources departments looking to digitally transform the way they handle documents.

Thoughtful and informative pieces like this showcase Square 9's dedication to customer service along the customer journey. You can view Square 9's accounts payable automation guide for yourself here: <https://info.square-9.com/ap-automation-guide>
