***Green Industry Pros* Magazine Recognizes 2023 Editor's Choice Award Winners**

Fort Atkinson, WI (August 4, 2023) – *Green Industry Pros*, the nationally recognized magazine serving landscape professionals, unveiled the **2023 Green Industry Pros Editor's Choice Award** winners, comprised of the top landscaping products that have made the biggest impact on the industry over the past year.

Winners were chosen by *Green Industry Pros'* editorial team based on several different factors, including innovation and dependability, as well as submitted nominations and audience engagement (most clicks, page views, inquiries) on GreenIndustryPros.com. These impressive new products earned their place on the list by attracting the attention of our team of editors, readers, end users, and landscape industry professionals.

"We're thrilled to showcase the winners of the 2023 Editor's Choice Awards," says *Green Industry Pros* Editor Sarah Webb. "Despite facing several hurdles the past few years, the green industry is going strong, and this year's winning products include innovative features that help contractors contend with those challenges, become more efficient and boost their bottom lines."

Green Industry Pros, produced by AC Business Media, congratulates the following companies and products identified as **2023 Editor's Choice Award** winners. Additional information on the winning products can be found in the July/August issue of *Green Industry Pros* and online at GreenIndustryPros.com.
